

For Immediate Release:

EURODRIP USA ANNOUNCES DISTRIBUTION AGREEMENT WITH CEPEX USA, INC.

Madera, Calif. (April 2008) – Eurodrip USA, Inc. has joined forces with Cepex USA, Inc., to offer Cepex’s complete line of PVC Ball, Ball Check and Butterfly Valves for applications in the agriculture, turf and mining industries. “Coupled with Eurodrip USA’s full line of quality drip and micro irrigation products, the addition of Cepex PVC Valves allows us to provide our customers with high-quality turn-key solutions, as well as meeting non-drip irrigation needs with the most reliable PVC product line available”, said Jeff Tuel, President/CEO of Eurodrip USA. Cepex is world renowned for its dedication to research & development; the result is excellent product quality and reliability, demonstrated through its’ ISO 9001 certification. These attributes, along with Cepex’s philosophy of 100% customer satisfaction align, perfectly with Eurodrip USA’s commitment to its cornerstone of Quality. Value. People.TM

The agreement will provide growth opportunities for both companies by allowing Eurodrip USA to offer Cepex products to its irrigation and mining customers. “Cepex USA’s goal is to leverage Eurodrip USA’s presence and rapid growth to expand distribution of our products, while supporting Eurodrip USA’s strategic initiative to offer more fully integrated system solutions to its customers across the US”, said John Cavanaugh, President of Cepex USA.
